Spring 2003

Ben and Paul (Golly) have started with the two meetings held during December. This is a new partnership for producers and to make it a success they need your support. Production dates are 11th/12th/13th and 14th June 2003. Rehearsals start on 7th January in the ORC Bridge Street.

Clear out day in January 2003.

At a date yet to be booked the committee feels that all members should be involved in the culling weekend which involves tech equipment, underneath the stage area and even more of wardrobe.

This is going to be quite a busy time, but we can also make it fun. We may even let the men light a bonfire!!!!

To enable us to do this exercise efficiently, please could you return any items of wardrobe etc you may be storing for us.

SCROOGE the Musical.

Graham is already planning this production for next November. Production dates are Tech rehearsal Sunday 23rd, last night 29th Nov.

Spring 2004.

I know it appears to be along way ahead, but your committee would like to be prepared. So anyone wishing to produce the spring show in 2004, please let us know. It is good to be prepared.
