Note from Anthony Pink and family:

"We would like to say that it has meant a lot what everyone have done from turning up at the laying of the ashes to the thought that went into the wake and the tribute of the show, it has made us understand just how much our Mum meant to people. Mum (Val) would have been so happy to watch the people she spent so much time with, give her life meaning, we cannot find the words that we would really like to say, so we hope the words 'thank you' does justice.

p.s. The show was fantastic – keep it up."

Return thanks...

Overton Sheep Fair Committee have sent us a lovely letter saying thanks for all of our efforts in the Overton Victorian Sheep Fair. The Chairman thoroughly enjoyed our show.
