Social update and date for your 2006 diary

Thanks to Lesley for organising the Return to the Forbidden Planet theatre trips, these were just great and we certainly learnt a few tricks for our show...?...!...?

Saturday 27th May – Tina is organising a 10-pin bowling trip to Basingstoke Bowl Plex. Tina will be collecting names at the AGM, so please let her know if you would like to either enter a team of 6 or if you are individually interested just so we can ensure we book the correct number of lanes - should be a knock out night! They have a food and a licensed bar so we are bound to get better as the evening progresses...

Return to the Forbidden Planet – June 20th – 24th

Both rehearsals and ticket sales are already going well. As it stands, we have the potential for our greatest show yet, so let's make it happen....

Please remember that tickets are now on sale at The Faraway Tree, High Street, Overton. Box Office Tel: 01256 770333. They can accept credit cards (£1 admin charge) but still cannot reserve tickets for anyone.

We will have a licensed bar for the show which will be open at 7.00pm until the show's lift off at 7.45pm; interval drinks can be purchased in advance. We are pleased to confirm it will stay open after the show for some vital inter-galactic liquid equilibrium for the crew...!

TECHNICAL WORKSHOPS

We will be holding some technical workshops for those interested in learning how the lights and sound equipment are rigged and are operated – everyone is welcome, you will not have to be a member... Come along to the AGM to find out more details!
