### Hello from Tina

Hello everyone. As many of you know by now I'm in hospital, unfortunately with a relapse of non-Hodgkin's lymphoma. I will be here for quite a while having treatment, but I am in very good hands.

The thing that has helped me is knowing how much everyone cares. Your loving cards, thoughts, visits and most of all help you have given Stub, Johnny and Sarah has overwhelmed me – I know that they have really appreciated it too. We cannot thank you all enough.

I so miss being part of ODS and think of you often. In the meantime I would like to wish good luck to everyone in the Day of Reckoning; in Majroie's own words “have a bloody good show”. Thanks again everyone. Lots of love Tina XXX

### 2 Mature Female Presenters Sought

Tigress Productions are looking for 2 outgoing, vociferous mature ladies (between about 55 and 80 - and preferably on the more mature end of the scale) who have a thirst for knowledge and are not daunted about trying new things. It would be even better if they were two friends who bounce off each other really well. They do not need to have previous presenting experience – it's all about personality and gusto. For more information please contact [lucymallatratt@tigressproductions.co.uk](mailto:lucymallatratt@tigressproductions.co.uk)
